Indigenous youth have important insights and strong voices that can help end sexual exploitation.

- I am strong and intelligent.
- I have a right to be safe and to live my life free of harassment and targeting.
- I will not be fooled by people who promise me money and gifts, or by ads for shady, unspecified and high-paying work.
- I will learn about sex trafficking and speak out about it. I will keep my eyes open and reach out if I or someone in my circle needs help.
